VERSATILE DESIGN WITH INDUSTRIAL PERFORMANCE

TOSHIBA TEC announce the first of a new generation of products within their globally recognized, highly diverse portfolio. The TOSHIBA B-SA4TP barcode label printer provides the functionality and robustness of an industrial printer with the compact footprint and ease of use of a desktop printer. For ultimate networking capabilities*, it comes with a wide variety of communication interfaces, enabling you to manage your whole network of printers from a central source.

* Networking functions are based on the new e-studio series, an evolutionary family of information devices that fit perfectly within office information environments.
